TEACHERS & SUPERVISORS

Because your child will nowhere learn a language so quickly and easily like in the country where it is spoken. In our schools all our teachers have both pedagogic and didactic training. They also have a university degree. But, above all, your child gets taught by a person who has grown with the language.

Food and Accommodation

Your child is accommodated in a friendly and modern youth hostel. Four people share one big room with bathroom (twin room)

Young learners (aged 12+) live with a carefully selected host family: the host family provides half board, i.e. breakfast and evening meal, from Monday to Saturday, and full board on Sunday.

The children will get lunch in the school restaurant.
