

HELLO SCHOOL SUMMER

A JOURNEY TO WORLD-CLASS EDUCATION

PROGRAM 2018

“HELLO 1ST GRADE”

NEW JOURNEY STARTS

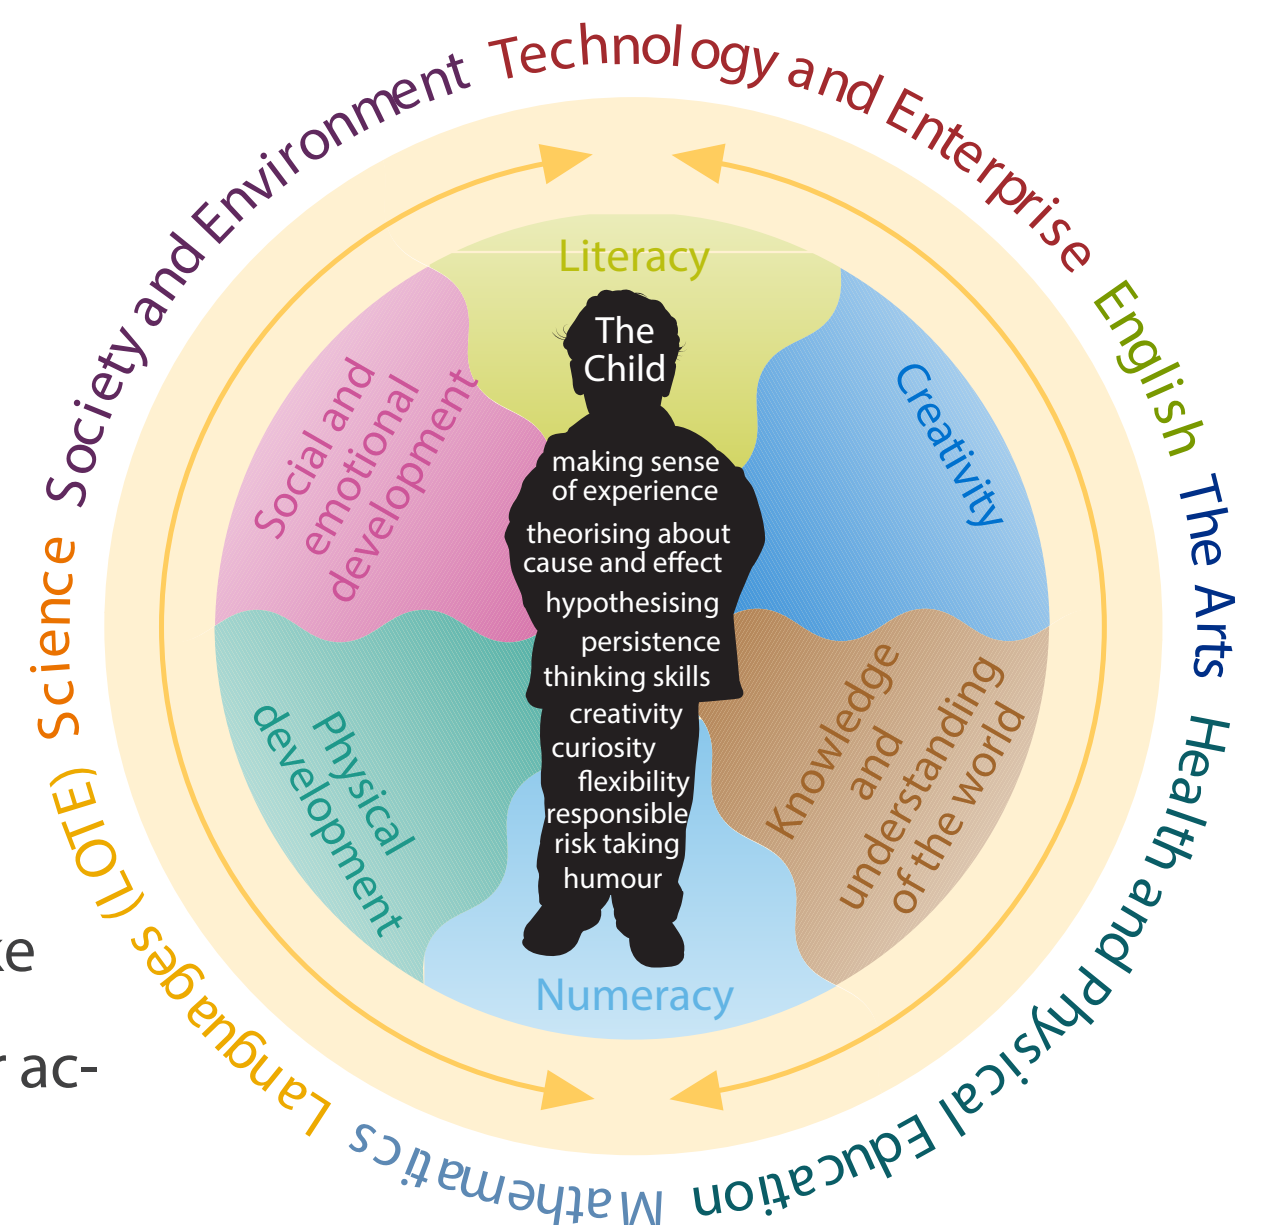

WHAT HAVE YOU PREPARED FOR YOUR CHILD TO GO TO 1ST GRADE?

“Hello 1st grade” is a special summer program which is designed for **students from age 5-6**. The program is a combination of **the MOET Vietnamese program and the Australian program** which is licensed by the Western Australian School Curriculum and Standards Authority.

- Help your child become familiar with a new environment and psychologically prepare your child for the 1st grade.
- Help your child become familiar with the curriculum, teaching methods, teachers, and primary school environment.
- Help your child become familiar with thinking exercises, mathematics, the Vietnamese and English language.
- Help your child improve their confidence, soft-skills and personal development skills for their early grade school.

CURRICULUM AND IDEAL EDUCATION METHOD - STEAM

The summer program “Hello 1st Grade” at WASS is implemented based on a the combination of the Australian curriculum and STEAM, the ideal education method (Science - Technology - English - ART - Maths). With the motto “Focus on students”, the program helps students get acquainted with Maths, Science, Technology, English easily by using modern learning tools, to completely develop their talents, skills and aesthetic values through art subjects like acting, drawing, dancing, singing, listening to poems and other extracurricular activities.

TIMETABLE AND LEARNING SUBJECTS

Based on input from our psychological experts, our lessons are designed to balance learning and playing which are taught by very experienced and conscientious Foreign and Vietnamese teachers with a large range of learning topics combined with many field trips in order to keep the children interested during the course.

Learning topics:

Week 1: Hello school - Week 2: Wonderful Weather

Week 3: Plants - Week 4: Animals

Week 5: Music and Sound - Week 6: Five Senses
